

Employee Assistance Professional Association of Australasia (Inc)

Membership Guidelines & Criteria

EAPAA membership consists of individuals and organisations that provide or use EAPs. A member must be familiar and compliant with EAPAA Standards and Code of Ethics.

Provider Company Membership

Small, Medium or Large Provider Company Members are those organisations/groups/units providing external or internal EAPs and have a minimum of 3 years' experience in Australia.

All Provider Members are required to employ a designated psychologist or social worker to overview the professional activities of employees and consultants. When applying please provide details of your company's experience (min. 3 years) in provision of EAPs and the names and contact details of two referees. We also need your psychologist / social worker's current registration number.

Large Provider Members

Entitlements include 3 mailing subscriptions and **3 votes**

Medium Provider Members

Entitlements include 2 mailing subscriptions and **2 votes**

Small Provider Members

Entitlements include 1 mailing subscription and **1 vote**

Extra benefit: Provider Company Membership entitles you to complimentary listing on the EAPAA website.

Provisional Provider Company Membership

Provisional Membership is for those organisations/groups/units providing external or internal EAPs which do not meet current EAPAA service standards.

With your application form please provide details of your company's experience in EAP provision and provide the names and contact details of two referees. We also need your lead psychologist / social worker's current registration number. If at any time you meet service standard requirements and have a minimum 3 years experience in providing EAP services then your company will be upgraded to Provider Member and listed on the website.

Clinical Membership

Clinical Membership is for registered psychologists, social workers or counsellors with a minimum of three years supervised EAP counselling experience (*eligible for membership of the AASW, APS or ACA*). When applying you will need to supply your current psychologist/social worker/counsellor registration number.

Extra Benefit: Clinical Membership entitles you to listing as an EAPAA Clinical Member on our database with your details made available to our provider members.

Affiliate Membership

Affiliate Members are non-clinical (psychological) and HR personnel, and allied health professionals with an interest in EAP. All affiliates will have compliance checks on their registration, insurance, and references.

Extra Benefit: Affiliate Membership entitles you to listing as an EAPAA Affiliate Member on our database with your details made available to all our provider members. You may choose to offer a discounted service rate to these customers.

Partner Membership

Partner Membership is offered to corporate/government or partner organisations ie universities or industry bodies. If your program meets our service standards and shows evidence of other mental health support, this membership entitles you to EAPAA endorsement as a mentally healthy workplace.

Individual Membership

Individual Membership is offered to clinicians working within an EAP company who wish to receive discounts for PD / conference attendance and latest news and events mailouts. When applying you will need to prove your employment via a pay slip, appearance on the company website or a letter from your employer.
